# FMC and Univar Announce Winners of ATV Giveaways in **Product-of-the-Month Promotion**

PHILADELPHIA – (September 14, 2006) – Three pest management professionals (PMPs) won Kawasaki Prairie<sup>®</sup> 360 4 X 4 All Terrain Vehicles thanks to the Univar Product-of-the-Month promotion sponsored by FMC Specialty Products Business.

PMPs that purchased TalstarOne® multi-insecticide from Univar during the June Product-of-the-Month promotion were entered into a drawing for the ATVs. TalstarOne is a multi-insecticide, providing long residual control of termites and 75 other pests. TalstarOne is labeled for indoor and outdoor general pest applications, food handling and termites.

Winners are PMPs Bret Lee, of Cardinal Pest Control in Greensburg, Ind.; Jason Pickett, of Frontline Exterminating in Tempe, Ariz.; and Scott Davidson, of Economy Pest Control in Grass Valley, Calif. (Photos and cut lines follow.)

#### About FMC

FMC Corporation is a diversified chemical company serving agricultural, industrial and consumer markets globally for more than a century with innovative solutions, applications and quality products. The company employs approximately 5,000 people throughout the world. The company operates its businesses in three segments: Agricultural Products, Specialty Chemicals and Industrial Chemicals.

Safe Harbor Statement under the Private Securities Act of 1995: Statements in this news release that are forward-looking statements are subject to various risks and uncertainties concerning specific factors described in FMC Corporation's 2005 Form 10-K and other SEC filings. Such information contained herein represents management's best judgment as of the date hereof based on information currently available. FMC Corporation does not intend to update this information and disclaims any legal obligation to the contrary. Historical information is not necessarily indicative of future performance.

### **About Univar**

Univar N.V. (Euronext Amsterdam: UNIVR) is one of the world's leading independent distributors of industrial chemicals and providers of related specialty services, operating throughout North America and Europe. Univar endeavors to service its customer base, made up of some 250,000 industrial customers, with a full portfolio of products. The majority are commodities that the company buys in bulk, then processes, blends and repacks to meet the diverse requirements of the industries we serve. Others are specialties purchased pre-packaged and sold on a technical basis, usually under a manufacturer s own brand. As well as differentiating ourselves through our vast product offering, Univar also provides a number of related services, both to its customers and suppliers, such as blending, managing customer inventories, packaging, labeling, warehouse management, waste management, technical support and managing vendor reduction programs. Univar operates a network of 163 distribution centers, located throughout the United States, Canada and 18 European countries. In 2005, Univar generated net sales of USD 6.0 billion and operating income (EBIT) of USD 207.7 million. Univar has approximately 6,700 employees based

throughout North America and Europe. The company's registered office is in Rotterdam, the Netherlands, with administrative support offices in Bellevue, Washington, USA, and Bradford, England, UK. For more information, visit: <a href="https://www.univarcorp.com">www.univarcorp.com</a>
