### PRECAUTIONS:

**KEEP OUT OF REACH OF CHILDREN.** Harmful if swallowed. Wash hands thoroughly after handling. May cause eye irritation. Avoid eye contact. Do not use in edible product areas of food handling establishments, restaurants or other areas while food is exposed. Avoid contamination of feed and foodstuffs.

**FIRST AID: If swallowed,** call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. **If eye contact occurs,** hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

### DIRECTIONS FOR USE

**Indoors:** Apply gel indoors in areas where ants are seen. Areas include behind the refrigerator, stove, around water pipes, in cracks and crevices around window frames, baseboards and shelves. Renew as needed.

**Outdoors:** Where ants are seen entering the building, place small pea-sized baits along walkways, directly on ant nests, and in cracks and crevices on window and door sills. Renew as needed.

Apply only in areas inaccessible to children and pets. DRAX Ant Kil PF is a long lasting gel designed to be used for the control of all sugar ants, including Pharaoh ants.

**STORAGE:** Store in original container away from food and feedstuffs. Keep product in a locked storage area. Store in a cool place.

**DISPOSAL:** Make empty container unsuitable for further use. Dispose of empty container in accordance with provincial requirements. For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
