

TransPoints™

2009 Transport® GHP and Transport® TI Rebate Program

With TransPoints™, PMPs can save up to \$75 per case on their Transport purchases!

To thank our customers for the many great reviews we've received about Transport GHP insecticide and Transport TI termiticide/insecticide, FMC Professional Solutions is offering TransPoints, an exciting rebate program that will help you save big on your Transport purchases in 2009!

From February 1, 2009 through October 31, 2009, purchases of Transport GHP and Transport TI can earn pest management companies valuable savings that will be paid to them directly at the end of 2009. To qualify, PMPs must purchase a minimum of 2 cases of Transport GHP (24 jugs) or 2 cases of Transport TI (8 pouches), or a combination of 1 case of Transport GHP and 1 case of Transport TI. During the program effective dates and as this chart shows, purchasing more product earns PMPs more points for an even higher level of savings — up to \$75 per case!

# Cases (minimum purchase is 2 cases)	# TransPoints per Case Purchased	Value per TransPoint	TransPoints Incentive per Case Purchased
2 to 6 cases	1	\$15.00	\$15.00/case
7 to 10 cases	2	\$15.00	\$30.00/case
11 to 15 cases	3	\$15.00	\$45.00/case
16 to 19 cases	4	\$15.00	\$60.00/case
20+ cases	5	\$15.00	\$75.00/case

All purchases during the program effective date are cumulative. FMC will automatically track PMP purchases throughout the year, so there will be no paperwork to be filled out and sent in. Payment will be made at the case quantity level. For more information about this program and a list of Authorized and participating FMC Sales Agents, visit www.TransportGHP.com or contact your local FMC Sales Representative.
